RESPONSE OF DÄTWYLER RUBBER & PLASTICS, INC.
TO THE DEBTORS' SEVENTEENTH OMNIBUS OBJECTION TO CLAIMS
(CLAIM NUMBER 10907)

Dätwyler Rubber & Plastics, Inc. ("Dätwyler") hereby files its response to the Debtor's
Seventeenth Omnibus Objection to Claims, and states as follows:

Pursuant to the Seventeenth Omnibus Objection, the Debtors seek to reduce and modify
the claim filed by Datwyler (Claim Number 10907).

Prior to the deadline for filing proofs of claim in the Debtors' bankruptcy case,
Datwyler filed proof of claim 10907, filed in the bankruptcy case of Delphi Automotive
Systems LLC, asserting an unsecured claim in the amount of \$929,544.79.

Datwyler has been in discussions with Delphi regarding the amount of its claim prior to
the omnibus objection. Based on these discussions, Datwyler is willing to accept the reduced
sum as long as it can receive an order recognizing such amount as an allowed claim. Datwyler

supplied goods to the Debtors and is entitled to its claim. Datwyler has been in contact with Debtors' counsel following the objection.

Datwyler and the Debtors appear that they will agree on the amount of the claim and for this response to be filed to allow such resolution process to be completed.

WHEREFORE, Datwyler requests the Court to deny the Seventeenth Omnibus Objection to Datwyler's claim and enter an order reflecting an agreement reached between them regarding the claim, and grant such other and further relief as is just and appropriate.
